

One-day Commercialization Workshop on Hexcrete Wind Turbine tower technology

Learn about the:

- ✓ Hexcrete tower technology
- ✓ Benefits of tall towers
- ✓ Opportunities for prototyping
- ✓ Commercial viability of this precast concrete technology

- **When:** Thursday, June 23, 2016
- **Where:** Crowne Plaza Denver Airport Convention Center
- **Registration and more details at:** <http://sri.cce.iastate.edu/hexcrete/> (space is limited)

Program Includes...

- ✓ Keynote presentations by
 - Megan McCluer, Senior Advisor, Wind and Water Power Technologies Office, EERE, U.S. Department of Energy
 - Eric Lantz, Energy Analyst, National Renewable Energy Laboratory (NREL)
- ✓ Hexcrete tower technology update by the research team
- ✓ Expert panel discussion, led by Jason Cotrell of NREL, on tall towers and their foundations and erection
- ✓ Discussion on Prototyping of a Hexcrete tower
